CAREER SUMMARY

A highly motivated and enthusiastic Full Stack Developer with a strong foundation in MERN stack, Bootstrap, Python, and Java. Successfully completed the 100 Days of Code challenge in Full Stack Development and 60 Days of code in Python, demonstrating a commitment to continuous learning and improvement. Gained practical experience during an internship at Unified Mentor, where I contributed to three projects, enhancing my teamwork skills and understanding of real-world web development processes.

TECHNICAL SKILLS

- **MERN Stack**
- **Figma**
